COMMANDER'S MESSAGE

We are off to a good start with 14 members renewed already. Our goal this year is 50 members. We are currently at 28% of our membership goal. With the passing of the Legion Act it will open up our membership to all active duty members and veterans that have served at least one day of active duty time since the bombing of Pearl Harbor once the president signs it and the Legion votes to update the by-laws at the National Convention. This is a great opportunity for us to go out and recruit new members that did not previously meet the eligibility requirements.

Commander Morlan is happy to announce that I saw several of our members at the Annual Mayors' Appreciation Day at the Marion County Fair Grounds on July 20th.

WELCOME NEW MEMBERS

I hope that with the new wave of incoming students we will some fresh names to add to this roster soon.

WHAT'S HAPPENING

On August 2nd, the Irvington Historical Society will be showcasing some of our IUPUI students, faculty, staff and alumni tattoo photo from our Military Tattoo Project that was held at IUPUI 3 years ago. I would love to see some of you at this event.

Commander Morlan will be attending the American Legion National Convention as a Subject Matter Expert Trainer on the topic of the Campus Connection. This will be an opportunity for our post to highlight how we are giving back to the younger veterans and getting them to join the American Legion. I would love to see some of you come out to gain some valuable information about our great organization. Who knows you might even find out about one of our many programs that is just right for you. Please visit www.IndianaLegion.org to register as a guest for the convention.
